In the year 2018 the DIST project, will end in September, after the Final National Conferences in all the countries partner. All the Intellectual Outputs have been actuated, such as all the mobilities, and all the countries partner lived the experience of the "Pilot", receiving many interesting observations, useful to complete the Version Two of the e-courses, such as was expected. Now the promotion of the Sense of Initiative and Entrepreneurship (SIE) is finally became something the everybody can touch and in the web site (www.distproject.eu) is possible to find all the "outputs" produced, including the interesting Story-telling Guide that has been the lighthouse of the last period of this project.

Now, everybody who has a "desire of enterprise", through the DIST project can find his / her path to realize this dream. On the dedicated channel "you tube", there are all the interviews of the entrepreneurs, young, innovative and positive, of all the countries partner (Italy, Poland, Romania and Spain). The interviews are very interesting and complete under many point of view, such as the thematic VET (Vocational Education Trainers) videos that can be used from many users, both entrepreneurs and aspirant entrepreneurs, teachers and learners, or simply curious.

On May there will be the 5th project meeting in Florence, host from CDi Manager, in his headquarter, where the partners will debat the last actions to do and how to conclude in the best way this project which started in 2015. Many actions have been done and many meeting have been held, the first in Empoli – Italy in November 2015 by partner ASEV, the second in Terrassa – Spain in May 2016 by partner CECOT, the third in Arezzo – Italy in November 2016 by partner Pratika, the fourth in Lodz – Poland in October 2017 by partner ULO and the fifth, the last, as said, will be in Florence – Italy in May 2018 by partner CDi Manager.
